Case No.: 07 CV 2205 DMS (CAB)

**AFFIDAVIT OF THOMAS R. GILL, ESQ., IN
SUPPORT OF PLAINTIFF'S REPLY TO
DEFENDANT'S OPPOSITION TO EX
PARTE APPLICATION TO CONTINUE
EXPERT DESIGNATION AND RELATED
DATES**

[FRCP 26(a)(2)(C)]

Judge: Hon. Cathy Ann Bencivengo
Trial Date: May 9, 2009, 9:00 a.m.

17
18 I, THOMAS R. GILL, ESQ., have personal knowledge of the following facts, and if called
19 upon could competently testify to the following:

20 1. Plaintiff has never designated an expert doctor, or identified any of Plaintiff's
21 treating doctors as individuals who will testify at trial.

22 2. Months ago defense counsel informally inquired of the names of the doctors who
23 treated Plaintiff. He was told.

24 3. Defense counsel then issued three document subpoenas, including one to Dr.
25 Davidson.

26 4. Since then only Dr. Davidson has been deposed. Her deposition arose only after I
27 asked defense counsel if Dr. Davidson could be present at Plaintiff's deposition to help assess
28

1 Plaintiff's ability to continue with his deposition. Defense counsel refused, contingent upon
 2 deposing Dr. Davidson for the purpose of determining whether her presence at Plaintiff's deposition
 3 would be necessary. This is the sole understanding of the reason for Dr. Davidson's deposition.

4 5. During the little more than one hour deposition of Dr. Davidson Mr. Scully
 5 announced he would not oppose Dr. Davidson being present at Plaintiff's deposition.

6 6. There was never an understanding there would not be expert witnesses. In fact, I
 7 told Mr. Scully in writing Dr. Davidson would not be Plaintiff's expert. (*See below.*)

8 7. In an email dated May 12, 2008, from myself to Mr. Scully, wherein arrangements
 9 were being discussed for taking Dr. Davidson's deposition, I disclosed to Mr. Scully that: "Dr.
 10 Davidson will not be Plaintiff's expert." The implication, of course, is some other doctor will be
 11 Plaintiff's expert. At no time did Mr. Scully express any concern, surprise, or misunderstanding
 12 about Dr. Davidson's role, or the role of Plaintiff's forensic expert. A copy of this email is attached
 13 as EXHIBIT A, along with the string of associated emails.

14 8. At no time has there been any discussion between counsel about testimony from any
 15 of Plaintiff's treating doctors. Never has Defendant sought to depose any treating doctor other than
 16 Dr. Davidson, and that was for the reason related above.

17 9. Mr. Scully and I have had discussions about this case. We agreed the same are
 18 confidential. Based thereon, it is represented to the Court that if Plaintiff is denied the opportunity
 19 to designate a forensic expert physician Plaintiff's case will be substantially prejudiced.

20
 21 I declare under penalty of perjury under the laws of the United States the foregoing is true
 22 and correct and that this affidavit was executed on this 15th day of July, 2008, at San Diego,
 23 California.
